Upcoming Events and Information for Cubs

Tuesday February 8th Kub Kar Building Night #1 (Regular Meeting 7pm-8:30pm)

We are looking for parents with or without tools that would be willing to come out and assist for the evening. We need saws, rasps, c-clamps, hammers, small portable bandsaw, etc. If you can assist with any of these tools please let us know. Depending on how far the cubs progress on their kars they might get to the painting stage. Based on seeing the youth build these cars the past 2 years I would recommend that they wear an old shirt underneath their uniform so that they can take their uniform off when painting. I am sure you don't want their kub kar and shirt to match at the end of the evening. ☺

Tuesday February 15th Kub Kar Building Night #2 (Regular Meeting 7pm-8:30pm)

The cubs will be painting their kars so please have your child wear an old shirt underneath their uniform.
