As previously mentioned, we've been invited to send a patrol or two to an annual Patrol Competitive camp, run by several area youth teams from Toronto, together with the Greater Toronto Council Commissioner. (Tim McNaughton) We're camping at Goodyear Memorial Scout Camp, 713380 1st Line East, Mono (Hockley Valley). It's a great camp site for Scouts, with resources very suitable for comfortable tent camping. Scouter Andy has been camping there since he was a youth. *(yes, yes, I know, back before the war!)*

The challenges will focus around patrol-based Scout activities, games, basic and advanced Scoutcraft, and self-sustainability... plus, the very very cool Iron Chef Challenge!

We're sharing the weekend with very experienced friends from Toronto Area Scouting groups. There is warm indoor shelter available 24/7, in case of challenges, and Scouter Andy will be available on cell all weekend. 416-428-4200

Kit list included, see other sheet. Please USE the list, and be prepared!  
If you're unsure, ask your youth or the leaders...

Please return the email with details.

Coming? Yes/No.

*(we will also run some paper copies off for Wednesday night)*

And, please include any other contact details that we should be aware of for that weekend, that are OUTSIDE the emergency contact information placed on the original registration form.

If you can, please send money **in an envelope**, with your name on it.

Cash is preferable,

but any cheques should be made payable to "Scouts Canada – 1<sup>st</sup> Binbrook Group".

*(collecting and tracking handfuls of loose cash, from 17 different Scouts, is a challenge!*

☺)

Thanks! It's going to be a great weekend!
