

# 1<sup>st</sup> Binbrook Scouts – BinDunn2 Hike & Project Work

**When:** Wednesday April 18<sup>th</sup>, 2012  
**Time:** 6:30pm -8:50pm (to get us just a bit more daylight)  
**Where:** 1658 Regional Road 14, Caistor Centre (Scouter Erik's House and property where we have camped before) – see map below  
**Items Needed:** Flashlight and appropriate outer clothing for the weather  
**Uniform:** Shirt and Necker (leave sash at home)

We will be going to Scouter Erik's property, please come dressed for the weather, and possible wet conditions on the ground, we will be in the woods.

The plan is to split up and work on rebuilding our campsites for future use, working on some basic outdoor skills for some of the newer scouts, and placing a number of our Owl nesting boxes that we constructed last fall, around the property (and marking their locations on a map for future monitoring).

This property is also part of a Carolinian Reforestation project, so there is a very definite benefit to our work there... as well as continuing to enhance our own campsite that Scouter Erik has permitted us to build there. (I can explain more when we're there)

Bring any drinks/water/snacks you would like... if the fire lighters are successful, we might even roast some snacks as the sun goes down. :-)

Parents are more than welcome to join us if they would like to.

\*Please note: If the weather is looking questionable please check our website at [www.1stbinbrook.org](http://www.1stbinbrook.org) for confirmation and or cancellation. The decision will be made by 4pm on that date.

**Basically: Follow Binbrook Road East 10 mins, until you reach a flashing yellow light over the road. Turn right. It is the 2<sup>nd</sup> driveway on the right. You will see a Large Yellow House set back from the road.**
