Upcoming Events and Information for Beavers

Monday February 11th Beaver Buggies

The beavers were painting and shaping their beaver buggies last week. This week we will be painting and touching up and most of the youth will be ready to put on their wheels. If you have a hammer and a centre punch and time to help out it would be greatly appreciated as wheels are the most time consuming of the project. We will be racing them on Monday February 25th at the Ag Hall.

Monday February 18th 6th Annual Family Day Pot Luck Scouting Banquet (6:00pm-7:30pm)

Come and celebrate Family Day with the 1st Binbrook Scouting Group and help us kick off the start of Scout/Guide week. All Beavers, Cubs, Scouts and their families are invited. Please bring a pot luck item to share. The youth will be providing entertainment. The group will provide cutlery, plates, napkins and beverages. Please RSVP to info@1stbinbrook.org whether you will be attending or not and a rough idea as to how many people so we know how many tables and chairs to put out. Thank you in advance.

Sunday February 24th Scout/Guide Church Parade – Knox Presbyterian Church (2553 Binbrook Road) 11: 00 am Service. Arrive 10:45am

Upcoming Events and Information for Cubs

Tuesday February 12th Kub Kar Building Night #2 (Regular Meeting 7pm-8:30pm)

We are looking for parents with or without tools that would be willing to come out and assist for the evening. We need saws, rasps, c-clamps, hammers, centre punches, etc. If you can assist with any of these tools please let us know. Last week quite a few of the cubs shaped and painted their kars. This week the cubs who have finished painting their kars will need to weight their kar and put on wheels. Others are still working on shaping but we still have another week after this to finish them so don't despair. :) Last week a few of the youth were missing their uniforms. We recommend that the youth wear an old shirt underneath their uniform so that they can take their uniform off when painting. I am sure you don't want their kub kar and shirt to match at the end of the evening. :) Items to weight the kars for those wishing to be in the heavy weight class (Max car weight 142grams or 5 ozs) would be most welcome.
