

## 1<sup>st</sup> Binbrook Winter Cub Camp 2013

- Location:** Mount Nemo Scout Camp  
(between Walker's Line & Applyby on No. 2 Sideroad, in Burlington,  
about 1 ½ country blocks north of the 407)
- Date:** January 25<sup>th</sup> – 27<sup>th</sup>, 2013
- Time:** Arrive Friday after dinner at 7pm, pickup Sunday 11am.
- Cost:** \$25 for the weekend.  
(cost includes all food and drink, and a camp badge)

The Cubs will be eating and sleeping, in a heated and fully plumbed cabin.  
(Confederation Lodge, large building beside the main parking lot for the camp)

The 1<sup>st</sup> Binbrook leadership will be there ensuring everyone's safety, at all times.

As parents you are more than welcome to come out and spend the weekend as well.  
*(If you'd like to stay overnight as an adult, please speak to us immediately.)*

Transport is your responsibility (due to regulations), but car-pooling with other parents is definitely encouraged! If we can help with communications to facilitate this, please let us know.

Parents are more than welcome to come and stay. We have lots of space and food. Required equipment is minimal, and we'll provide a detailed list, including schedule and map/directions.

We will have a detailed contact sheet for each youth with us at camp, and if any youth has a problem, or needs to talk to Mom & Dad, or wants to go home earlier than planned, we'll contact you without hesitation.

This is the best part of Scouting... a weekend away in the outdoors. We want them all to have a good time, and leave with only fond memories.

We will be spending as much time in the outdoors as the weather allows.

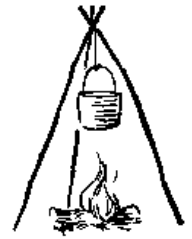

If you have **ANY** questions or concerns, please feel free to ask, inquire, or just openly discuss your thoughts and feelings. Again, we know, it's all still pretty new for some folks, and we want everyone to be comfortable.

## Suggested Kit List

### 1. **First Rule: PLEASE PACK YOUR OWN GEAR!**

This way YOU will know what has been packed, and maybe even where it is located. Mom/Dad are encouraged to help, but may NOT do it for you.

2. Please keep in mind we will be spending time outside during the day but will be staying in a heated cabin for the weekend.
3. A good habit to learn is to pack clothing in the large Ziploc (or similar type) bags. Things will always stay dry, and this also helps kids keep their clothes sorted, dirty from clean. It also doesn't hurt to toss in an extra bag or two, just in case particular items become moist or dirty. You can also sit on the Ziplocs as you are closing them, and get all of the air out of the clothes.
4. Please label everything, with your name or initials. We are a large group and there will be lots of extra outer clothing this time of year. ☺

As we go through the rest of the kit list, please bear in mind that the Winter can be a challenging time of year for weather especially the last few years, and so we try to *Be Prepared* for any circumstances. Some items may look odd, or seem redundant, but better to bring home some extra clean socks, than to have wet cold feet. (sweat-laden socks, are the #1 cause of cold feet). Always look at the weather forecasted for the weekend when you are packing.

The clothing listed below, is in **ADDITION** to appropriate layers of clothing worn for arrival on Friday night.

As previously discussed, multiple thin layers, is the way to stay warm, and allow for adjustments in temperature. Further, changing the layers closest to the skin, to remove things like wet (sweaty) socks, is the best way to stay warm! **Watch the weather and pack accordingly.**

- 6 pairs of good cotton sweat socks
- 3 pairs heavy woollen socks

**Similarly, any special needs, sleeping habits, or other concerns, can be jotted down and handed in at arrival time.**

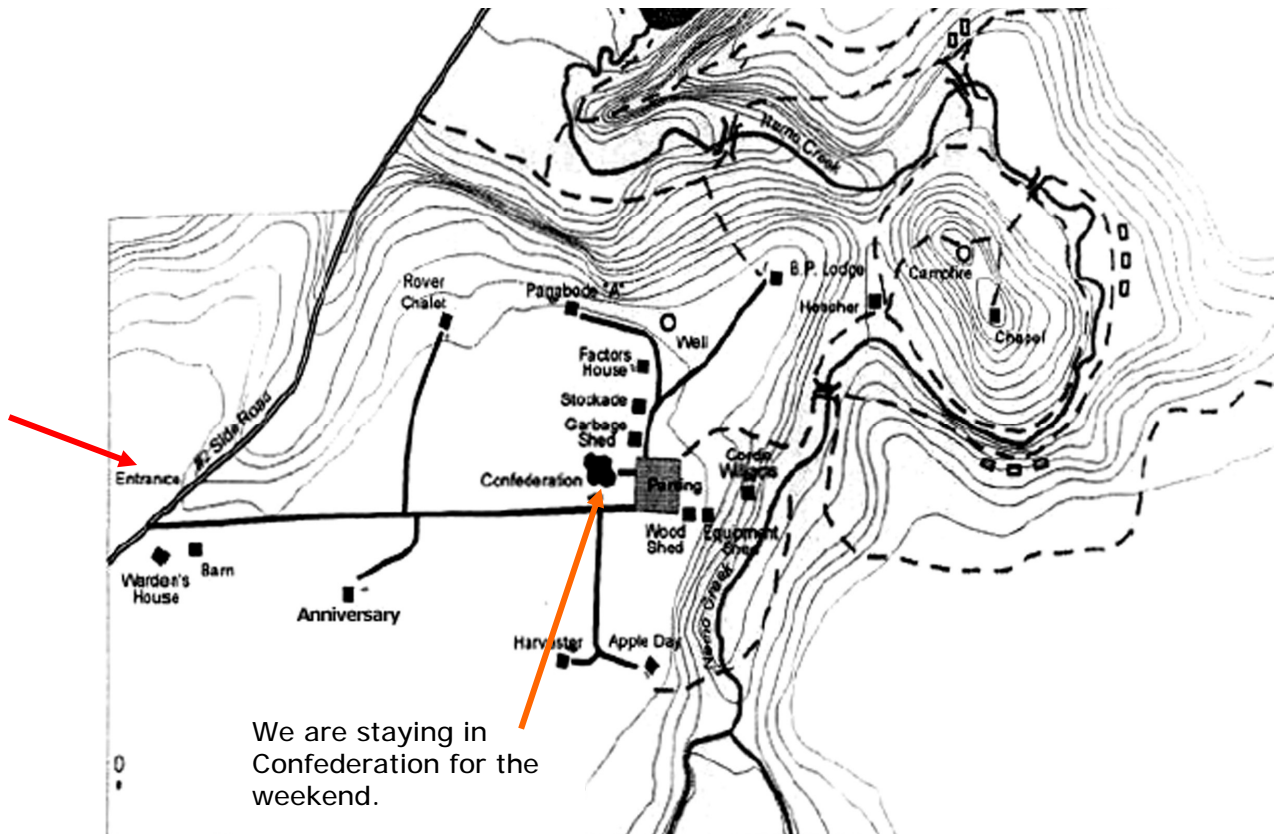

**Equipment Sources:** Both the Scout Shop, and Canadian Tire or Wal-Mart's camping sections, have good options, for anything you don't already have. Feel free to call the Scout Shop before driving down, and ask questions... they are very helpful there, and carry everything you could ever need. (905) 528-4662 (*they're also generally cheaper, and the profits benefit Scouting*)

*Questions? – Ask! There are no stupid questions. (905) 692-0693 – Andy or Pam*
