

1st Binbrook Fall Camp – Cubs

Location: Mount Nemo Scout Camp

(Walker's Line in Burlington, North from the QEW, about 1 ½ country blocks north of the 407, we will provide a map on one of the following pages)

Date: October 19th – 21st, 2012

Cost: \$15 for just the day, \$20 for two days, \$25 for the weekend. (*subsidized from fundraising*)

Details:

This will be our first cub camp of the year and a great one for everyone to get to know each other while enjoying the great outdoors. Along with camping for the weekend we will also be enjoying the Hamilton Wentworth Cub Fun Day on the 20th where the cubs will have the opportunity to participate in various activities. It should be a really fun weekend.

Cost includes all food and drink, and a camp badge.

The Cubs will be staying in and around **BP Lodge**. Those who wish to sleep in tents, may do so. (but if anyone gets cold or changes their mind, we have space in the building)

The 1st Binbrook leadership will be there ensuring everyone's safety, at all times.

As parents you are more than welcome to come out and spend the weekend as well and in fact we would love a couple of parent volunteers who like to cook, and might take on that role. ☺

We recognize that for many you're all new to this, and to 1st Binbrook, so we've put together some options for you.

You have the option to bring your Cub, for any of the time periods, and stay with them if you wish. Similarly, dropping them off and picking up later, is also perfectly acceptable. (*Transport is your responsibility due to regulations, but car-pooling with other parents is encouraged!*)

If you have the time to stay, that's great, and we may ask you to help with some of the games and events.

We do try and encourage the kids to work with leaders and each other though, to help them develop some personal independence... so you can still be nearby your child, but also let them operate on their own. ☺

For the most part, Cubs are ok to be away from home for a weekend on their own, but we know that doesn't apply to everyone. So, we want to be flexible.

We just want to include them in as much of the program as they are comfortable with. (and sometimes **they** are more comfortable with it than we are as parents! ☺)

Options on the next page...

Option 1 – Come for the whole weekend. Sleep over Friday and Saturday nights.

Arrive after dinner Friday night for 7pm October 19th, leave Sunday morning 11am (October 21st).

Option 2 – Come out Saturday morning, stay over Saturday night, come home Sunday morning.

Arrive Saturday by 8:00am (ask for BP Lodge if stopped), leave Sunday morning 11am.

Option 3 – Come out Saturday morning, stay for the day.

Arrive Saturday by 8:00am (ask for BP Lodge if stopped), leave after evening events and campfire, at roughly 9pm.

Again, parents are more than welcome to come and stay.

Required equipment is minimal, and we'll provide a detailed list, including schedule and map/directions. We will of course have a detailed contact sheet for each youth with us at camp, and if any youth has a problem, or needs to talk to Mom & Dad, or wants to go home earlier than planned, we'll contact you without hesitation.

This is the best part of Scouting... the outdoors. We want them all to have a good time, and leave with only fond memories.

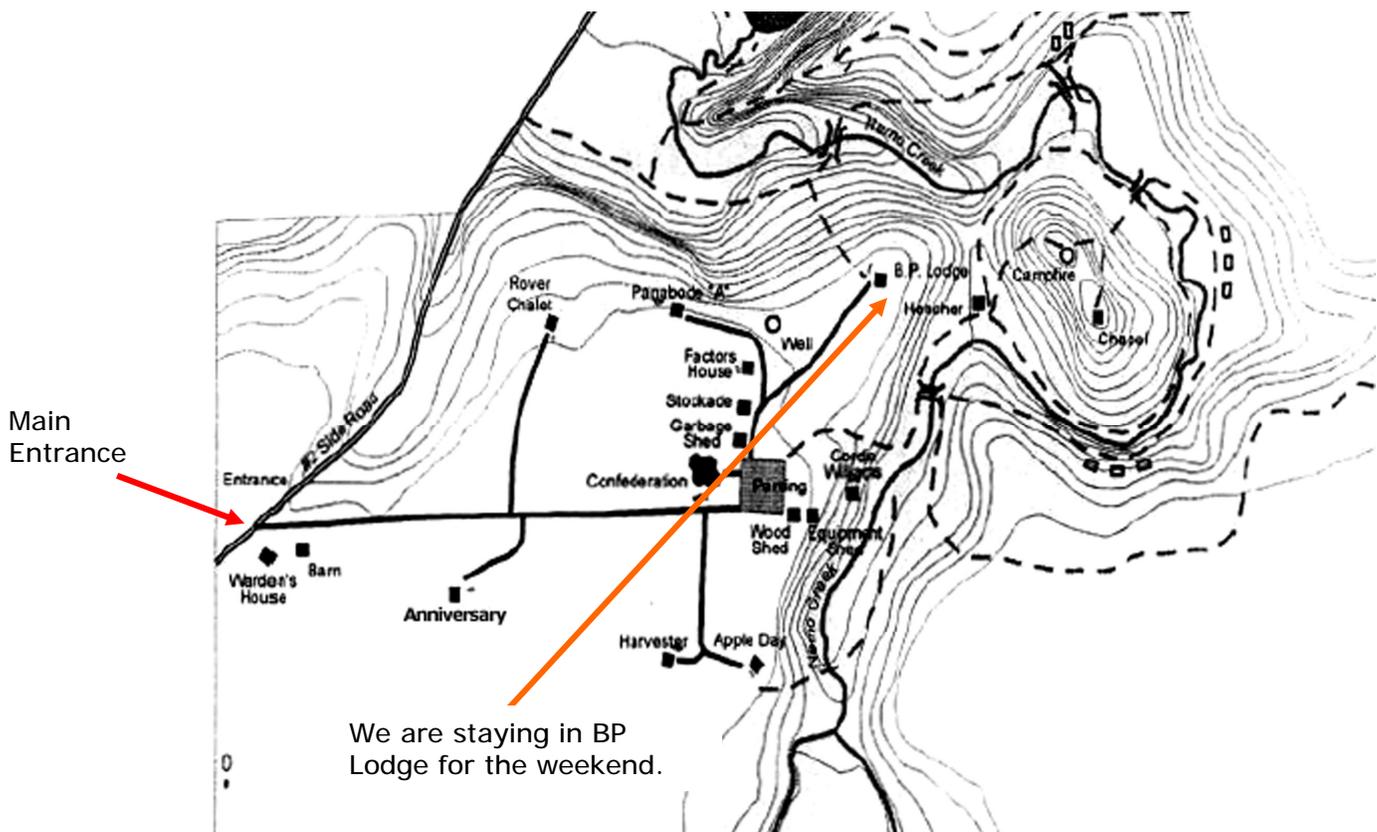

If you have **ANY** questions or concerns, please feel free to ask, inquire, or just openly discuss your thoughts and feelings. Again, we know, it's all pretty new, and we want everyone to be comfortable.

Pam (Akela) – 905-692-0693

If you need to reach your child or a Leader for any reason during the weekend please don't hesitate.

Fall Camp Suggested Kit List

1. **First Rule: PLEASE HAVE YOUR CHILD PACK THEIR GEAR!**

This way they will know what has been packed, and maybe even where it is located.

2. Please keep in mind we will be spending most of our time outside, and getting dirty, so where you can, send old clothes, so that if they do get dirty, it will not be a big deal.
3. A good habit they can learn, is to pack clothing in the large Ziploc (or similar type) bags. Things will always stay dry (in camping years to come), and this also helps kids keep their clothes sorted, dirty from clean. It also doesn't hurt to toss in an extra bag or two, just in case particular items become moist or dirty.
4. Please label everything, with the child's name, or initials (assuming they know them). For those hard to label items, like cutlery, or cups/bowls/plates, I will have a power etching tool with me on the weekend, and if they request it of me just before we eat, I will happily put their initials/name on their items for them. (permanent)

We will endeavour to teach the kids to keep their kit together and tidy, but there's still no more annoying curiosity, than to send a kid to camp with 4 pairs of underwear, and have them come home with only one... ☺

5. Please pack everything but sleeping equipment, into one bag. At this age, backpacks and other such camping equipment is not necessary, but it can help kids to keep their kit tidy, if they have only one bag to keep everything in.

As we go through the rest of the kit list, please bear in mind that the Fall can be a challenging time of year for weather, and so we try to *Be Prepared* for any circumstances. Some items may look odd, or seem redundant, but better to bring home some extra clean socks, than to have cold feet.

Day Campers

Should bring extra clothes, rain gear, uniform, flashlight, etc.

Overnight Campers

CLOTHES:

6 pairs of socks
3 pairs of sweat pants or cotton pants (no jeans, they don't wick sweat away)
3 Long Sleeved Shirts
2 Sweat shirts/sweaters
3 t-shirts
4 pairs of underwear
2 pairs of PJS and a night hat (a toque is fine)

OUTER WEAR:

Warm water repellent coat
Water proof Boots
Normal running shoes
A hat for the sun
Warmer winter hat
Scarf
3 pairs of warm gloves/mitts
Rain gear (coat or poncho)
Splash pants that are water proof (NO SNOW PANTS)
Indoor shoes/slippers

TOILET ITEMS:

Toothbrush and paste in a Ziploc bag
Soap and wash cloth in a Ziploc bag (or several of those disposable moisten and lather cloths that they make for kids now)

BEDROLL:

Sleeping bag
Small pillow
Foam ground mattress (or self-inflating mat, or similar)

Tip: Roll all of them together tightly, tie with strap or string, and put in a waterproof laundry bag, to reduce luggage and keep it all dry and clean. (please avoid garbage bags and Rubbermaid totes if you can)

If any other bedtime security/comfort items are suspected as necessary, roll them up with the sleeping bag, and then they will be there waiting when they tuck in for bed.

Other Items: Child's full uniform (shirt and necker, leave sash at home)
 A flash light or lantern, with extras batteries
 Campfire blanket (can be just a normal loose blanket to wrap up in)

ALL MEDICATIONS: ARE TO BE PUT IN A ZIPLOC BAG AND CLEARLY LABELED WITH INSTRUCTIONS. PLEASE GIVE TO AKELA UPON ARRIVAL TO CAMP.

Similarly, any special needs, sleeping habits, or other concerns, can be jotted down and handed in at arrival time.

Bedtime Notes: For overnight campers at this age, if you suspect there may be a challenge with bladder control, feel free to discreetly pack appropriate supplementary absorbent underwear with their PJs. We will maintain your discretion. At the same time, we will already reduce liquid intake in the later evening, and encourage bathroom visits before bed, and if they wake during the night.

Equipment Sources: Both the Scout Shop, and Canadian Tire's camping section, have good options, for anything you don't already have. Feel free to call the Scout Shop before driving down, and ask questions... they are very helpful there. (905) 528-4662

Questions? – Ask. Everyone is new, there are no stupid questions. (905) 692-0693 - Pam
