

## Scouts Spring Overnight Camp 2013 a Bin-Dunn2 Site Re-Construction Project

**Location:** Scouter Erik Quist's Property, 1658 Smithville Road (RR-14) at Silver Street.

**Date:** April 20-21, 2013

**Time:** Arrive 9:00 am Saturday, pickup 3pm Sunday.

**Cost:** \$20 for the weekend.

**RSVP:** confirm attendance and bring money in by April 10<sup>th</sup>, please.

We are camping in the real world, in the back of Scouter Erik's property, just down the road 10 minutes. *(Binbrook Road becomes Silver Street when you head East)*

This will be a fair-weather camp.

That is, the site can be a mud-hole, if it's going to rain, or has rained a lot.

So, if that appears to be the case, we will pull back and make alternate plans, worst case scenario being a refund and cancellation.

*(so if the threat of April showers has you bugged -- don't be)*

We will be re-constructing our own patrol campsites in the woodlot at the rear of Scouter Erik's property. We have done this in the past, but they have become overgrown, with our lack of use. *(map and satellite photo enclosed)*

Late Fall Kit list attached, see other sheet. Please USE the list, and be prepared!  
*(bearing in mind, only one night out)*

IN ADDITION, if you have tree pruning, trimming, or cutting tools, please label and bring them. Loppers, shears, small saws, shovels, work gloves. *(put names on the bits, and keep an eye on them, I'm still missing a saw, folding shovel, and set of pruners from the last time we did this!)*

Transport is parent responsibility, but car-pooling with other parents is definitely encouraged! If we can help with communications to facilitate this, please let us know.
