

Scouts Fall Overnight Hike 2012 (Alders Challenge - one night)

Location: Bruce Trail, and Rattlesnake Point Conservation Area

Date: September 29-30, 2012

Time: Arrive 8:00 am sharp Saturday, pickup 3pm Sunday.
(note: multiple locations on the next page)

Cost: \$25 for the weekend.

For our first overnight of the season, we've picked an easy single overnight hike adventure to join in on, together with Scouts from the Alders Area, as part of their annual "Alders Challenge"... an annual event with a great tradition. Weather is still nice, and the hike is riddled with planned challenges and adventures along the way, including escarpment cave exploration. ☺
(more than just a walk in the woods)

A kit list is included, see other sheet. Please USE the list, and be prepared!

Patrols/Scouts will have the option of carrying all gear with them, or simply carrying a day-pack with necessities, and their gear meeting them at the campsite. Either way is just fine, and the participants that do so in past years, are usually 50-50.
(to challenge for the trophy, they have to carry it all...)

Each Patrol of Scouts will need to have one cell phone between them, if you can borrow/commit one. It will be for check-in purposes only, and if costs are an issue, please discuss.

If you have need to borrow any gear, please call, and we can discuss what we have available in our loaner cupboard.

Transport to and from, is parent responsibility, but car-pooling with other parents is definitely encouraged! If we can help with communications to facilitate this, please let us know. (or if you are really stuck, talk to us)

Please email or call with;

1. Attendance details. (are you coming, or not?)
2. Any questions.
3. Any changes in contact information for the weekend. (additional names, telephone numbers for emergencies, and that sort of thing)

To the next meeting, bring;

1. \$25 Cash, in an envelope with your name on it.
2. Or, PayPal \$25 to info@1stBinbrook.org

If as an event this raises any concerns, discomforts, or unease, that would lead to non-attendance, please call us to discuss, as there may be other flexibility that can ease such burdens, and still make for a great weekend.

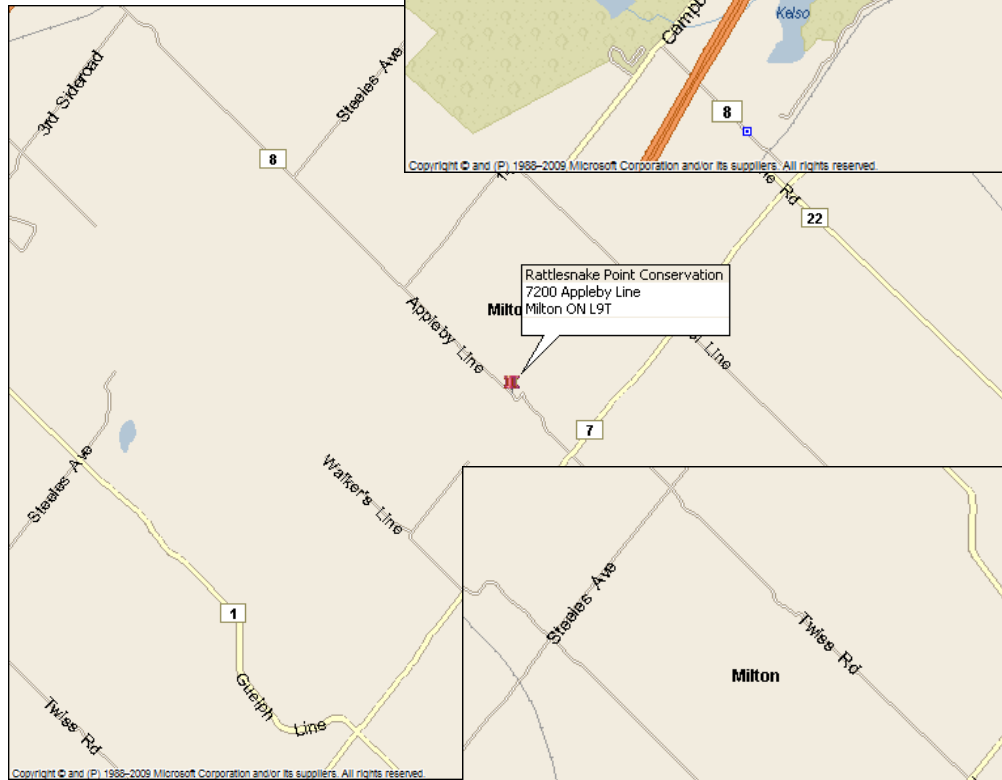

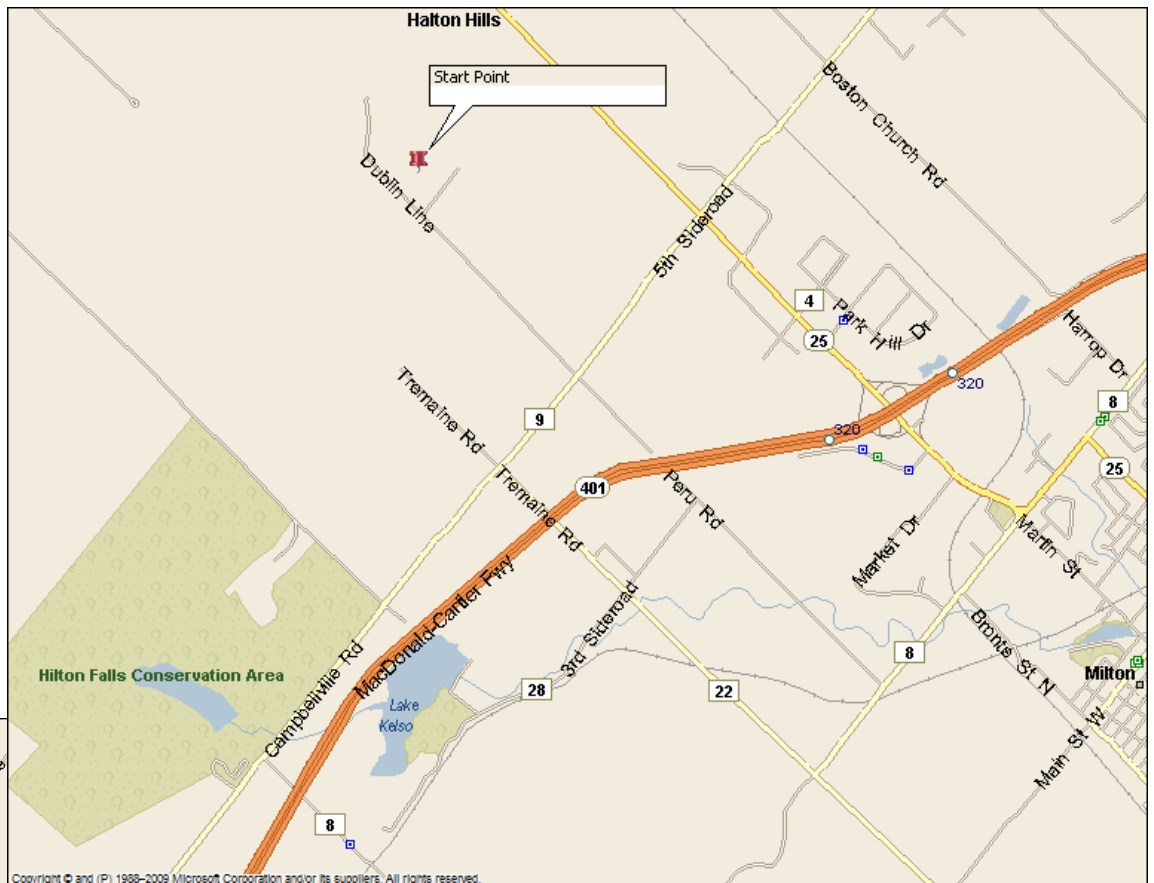

Scouter Andy - (905) 692-0693 or (416) 428-4200 mobile.
Scouters Paul, Michelle, Tammy, Julio, Martin & Colin.
