

Spring ADVENTURE Camp 2014

Friday May 9 - Sunday May 11, 2104
Camp Wetaskiwin, Thorold

Camp Wetaskiwin Lodge

It starts with Scouts.

Come join our colony for fantastic activities all weekend long! **Campers will also leave camp with a special mother's day gift for mom.** (Yes, May 11 is Mother's Day. We assure you that your children will be back in time to enjoy the day with them).

The best part of scouting is weekend camping and time in the outdoors, so we'll spend as much time outside as possible. We want every child to have a great time and leave with fond memories.

Lots to learn, do and explore!	Getting there:
<ul style="list-style-type: none"> • Orienteering/way-finding challenge & decode the mystery location of hidden treasure • Adventure hike • Scavenger hunt & make a craft with found items • Campfire & Songs • Camp memories to last a lifetime! • Earn your Adventure Badge! 	<p>The group bus will leave the fairgrounds after dinner at 6pm on Friday and return Sunday at 1pm. You are welcome to bring your youth yourself and meet us there if you like.</p> <p>You may also just come for the day on Saturday.</p>
