Subject: [scouts] Golden Arrow Training Camp

Good day,

This email is aimed at the Patrol Leaders, Assistant Patrol Leaders, and a few select other senior Scouts. :-)
(you know who you are)

We have an opportunity to attend a Golden Arrow Leadership training camp, coming up November 29-30, December 1st.
(Friday evening, until Sunday 1pm)

It's being held with a group up in Cambridge, within the city limits, on a property where they hold meetings. (a large piece of land, with a fully modernized 1800's stone farmhouse as the HQ)

It's an outdoor Scouting weekend, but, the building is there if the weather is bad.

Cost is \$20.

Depending on how many are going, will change the type of transport, but we can carpool or use the bus, depending on numbers. :-)

It looks to be a great series of events, activities, and challenges, all aimed at helping us all to lead our patrols better, our peers better, and to understand how to get everyone working on the same team. :-)

Please reply back, and let me know if you can go, or not.

If you're a maybe, please say so too... I need to give their Leader a rough idea as to numbers, shortly. :-)

Thanks!

Scouter Andy
