4266 Highway 24, Waterford (Norfolk)

Essentially, down Highway 6, around Caledonia, West (right) on 1st Line or King St/Indian Line, and a bit of zigzag on County Line #74, to County Road #19.

Then straight down on #19, to Hwy 24. Right onto Hwy 24, and one of the first rural driveways on the right. (sounds more complicated than it is)
